

SPINNER® NXT

- Heavy-duty aluminum frame offers corrosion and rust resistance.
- Plastic rim on inner radius to protect flywheel from rust and corrosion.
- Ergonomic saddle with flexible seat base, double-density padding and anatomical cutout provides comfort for all riders.
- Push brake safety system brings flywheel to a fast stop with minimal effort.
- No-slip grip handlebars offer dual water bottle holders for ultimate functionality and convenience during the ride.
- Oval-shaped handlebar and Seat Posts offer extra stability with easy-to-remember alphanumeric markings for the returning rider.
- Micro-adjustable seat slider delivers maximum fore and aft adjustability with easy-to-remember numerical markings.
- Dual-sided pedals with larger platform and SPD™ compatibility provide enduring comfort and stability.
- Crank assembly with increased strength provides dependable performance for every rider.
